

WEBINAR Series

Africa Farm Management Association

2ND Webinar

Theme: Building Inclusive and Efficient Agricultural Markets for Africa's Transformation

27th November 2025

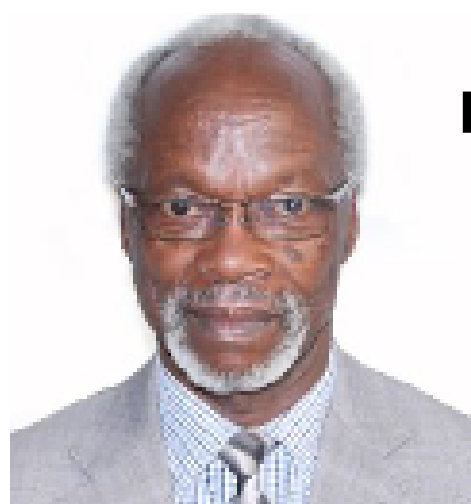

1700hr – 19:00hr EAT

Dr. Simphiwe S. Ngqangweni, PhD, MBA-CEO, National Agricultural Marketing Council (NAMC)

Dr. Ngqangweni holds a PhD in Agricultural Economics from the University of Pretoria and an MBA from Heriot-Watt University. He is a leading agricultural economist and public sector executive with over two decades of experience in agricultural policy, rural development, and market systems. He currently serves as CEO of the National Agricultural Marketing Council (NAMC), where he oversees strategic initiatives to enhance market access and inclusive growth in South Africa's agricultural sector. He has authored numerous publications, supervised postgraduate students, served as Vice President of Agricultural Economics Association of South Africa. He is passionate about transforming agriculture to drive rural development and food security and a regular contributor to national policy dialogues and media platforms.

Prof. Stephen Gichovi Mbogoh_ PhD – University of Nairobi

Professor of Agricultural Economics in the Department of Agricultural Economics at the University of Nairobi, Kenya. He has been recognized as an outstanding scholar with over 46 years of professional career in teaching and research. His area of expertise includes agricultural economics, marketing, and trade. He has served as a project Principal Investigator (PI) for a research team on facilitating policy implementation for enhanced market access in Eastern and Central Africa.
