Dear Dr. Mugivane,

Subject: Invitation for Partnership Review Lunch on Thursday 27th November 2014

PICO-EA is pleased to note that our collaboration with the Department of Agricultural Economics, University of Nairobi, on Agribusiness Capacity Building is progressing well. It is now one year since we signed the collaboration agreement and we have been able to undertake various activities including student field attachment and staff participation in joint learning workshops. We are at the point where we need to reflect how we can best harness the opportunities that are emerging, building on the understanding that this initial period has allowed us to have and to jointly identify possible areas of further collaboration.

I am therefore pleased to invite you for a Partnership Review Lunch at our offices on **Thursday 27th November 2014 at 12.00noon**. Our offices are located at the Watermark Business Park, Suite 1, Spring Court along Ndege Road in Karen, Nairobi.

We look forward to meeting you for the review. I hope it will be possible for us to have this reflection.

Thank you,

Ed Rege
